30th August 2021

Dear Parents/Guardians,

The Leaving Certificate Results will be made available to all candidates on Friday 3rd September 2021. Our students have worked exceptionally hard over the years and have dedicated themselves to their studies. They deserve to do very well, so we wish them the very best of luck and hope they achieve their desired results.

All students will have access to their results online through the **Candidate Self Service Portal** so they will not receive them from the school. This is to minimise interaction among groups of students as a Covid 19 prevention measure. However, we are ready and remain available to assist our students with any queries or questions they have regarding the results/CAO etc. Contact details for relevant school personnel are listed below.

This letter is to draw your attention to some important information and services in relation to accessing results. The State Examinations Commission has issued a Short Guide to the Accredited Grades Data Collection, National Standardisation and Quality Assurance Processes and this is now available on www.gov.ie/LeavingCertificate.gov.ie and on the SEC's website www.examinations.ie. A Candidate Information Guide on Results and Appeals will be issued to candidates closer to the issue date for the results. In addition, please note some important dates and supports available to students over the next week if they have concerns regarding the Leaving Certificate results.
