26th January 2024

Dear 5th Year Parents and Guardians

I am writing to inform you that I have organised a trip to Dublin City University for 5th Year students which will take place on Friday 2nd March.

The purpose of the trip is to familiarise students with the University campus and Degree courses on offer at this Higher Educational Institution. Students will have an opportunity to tour the grounds of the campus and to talk to student ambassadors about life at DCU.

The trip represents another opportunity for students to become more informed and prepared to make important choices when completing their CAO application in 6th year.

The cost of hiring the buses is €6 per student. Students are asked to wear their uniform on the day.

All students are asked to attend. However, if your student is unable to attend for some reason can you please inform me as soon as possible via email (rallen@stjosephslucan.com).

Kind regards

Roisin Allen
5th Year Guidance Counsellor
